---

21<sup>st</sup> September 2016

Dear Brothers and Sisters,

Om Sri Sai Ram!

The Sathya Sai International Medical Committee has been blessed by Bhagawan Sri Sathya Sai Baba to conduct medical camps globally to address the medical needs of needy patients. In Prasanthi Nilayam, International Medical Camps are held twice a year, during Guru Poornima and Bhagawan's Birthday celebrations.

These Medical Camps provide a blessed opportunity for healthcare professionals, Young Adults and general volunteers to participate actively in various services, including direct patient care for medical volunteers and other duties for non-medical volunteers. The next International Medical Camp in Puttaparthi will be held during 18<sup>th</sup>–25<sup>th</sup> November 2016.

During 15<sup>th</sup> to 20<sup>th</sup> July 2016, an International Medical Camp was organised in Prasanthi Nilayam by 61 Sathya Sai volunteers, including 21 doctors from Australia, Canada, India, Japan, Malaysia, Netherlands, Russia, Sri Lanka, Thailand, UAE, UK and USA. Medical services were offered to more than 3,200 needy patients in various medical specialty areas. Further details may be found in the attached report on the 2016 Guru Poornima Medical Camp.

An International Medical Camp was also held from 18<sup>th</sup> to 27<sup>th</sup> November 2015, during the 90<sup>th</sup> Birthday celebrations of Bhagawan Baba. More than 11,800 needy patients were served lovingly by 104 Sathya Sai volunteers from Australia, Canada, India, Italy, Malaysia, Netherlands, Russia, Singapore, South Africa, UAE, UK, USA and West Indies. Service were rendered by 38 physicians spanning various specialties. Further details may be found in the attached report on the 2015 Birthday Medical Camp.

Volunteering at these medical camps is a wonderful opportunity to experience Swami's love and His blessings through serving the needy. All individuals who are interested in serving at these medical camps in Puttaparthi may contact their Zone Medical Coordinator, or Dr. Bangaruraju, Medical Camp Director, at:
